Our City

Tulsa is a city that feels Southern, Eastern and Western all at once. You will enjoy its cosmopolitan flavor and small-town friendliness. It is big enough to have everything you need, but small enough to make you feel right at home.

Photos: Don Sibley, Tulsa Chamber of Commerce

The Philbrook Museum of Art is a classical gem in the city, featuring permanent collections as well as traveling exhibits.

Boston Avenue United Methodist Church is one of the most significant examples of art deco architecture in the world, and is listed on the National Register of Historic Places.

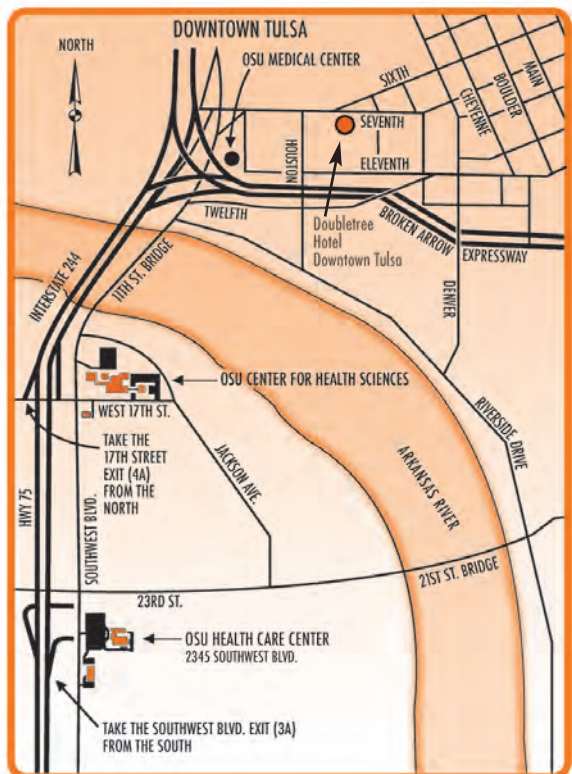

The Oklahoma Aquarium in Jenks is home to a variety of marine and aquatic animals, and houses a unique tackle collection

A \$25 service fee will be charged for all refund requests made prior to November 7

Conference Description

The "25th Annual Primary Care Update" is planned for physicians with emphasis on problems encountered by the primary care practitioner on a daily basis. The goal of this conference is to enhance the knowledge of primary care providers, thereby improving patient care in the hospital, clinic, or private office setting.

Continuing Education Credit

This program has been approved for 25 hours of AOA Category 1A CME credit

This program is pending approval for Prescribed credits by the American Academy of Family Physicians (AAFP)

The ACOI has approved this program for 5 hours of category 1A Internal Medicine specialty credit

A roster of participants will be submitted to the AOA CME Office and to the Oklahoma Board of Osteopathic Examiners for relicensure requirements.

Conference Topic and Content Determination

Topics and content are determined by ongoing needs assessment utilizing past course evaluations, emerging issues in clinical practice and through course directors and our committee members. Program and faculty evaluations will be conducted during this offering. Finalized data generated from these evaluations serve as an excellent resource for us in assuring that objectives were met and also in determining physician's interest and needs regarding future programming.

The conference faculty is comprised of clinicians who provide primary care. Each presenter was selected based on their individual area of expertise, their commitment to address current issues of concern, their ability to communicate first-hand knowledge to others and their willingness to interact with participants.

Conference Objectives

Upon completion of this course, participants should be able to

- 1) Review the strategies for the management of ADHD in pediatric, adolescent, and adult primary care patients
- 2) Expand their understanding of pediatric asthma
- 3) Develop and maintain strategic skin and wound care strategies
- 4) Discuss treatment strategies for obstructive sleep apnea
- 5) Accurately diagnose low testosterone and identify appropriate patients to screen for low testosterone
- 6) Take definite steps in his/her practice to reduce the risk of error and malpractice litigation
- 7) Understand the uses and misuses of commonly obtained performance drugs
- 8) Learn the appropriate use of calcium supplementation in the prevention and treatment of osteoporosis
- 9) Gain understanding and knowledge of the limited available and emerging therapies for MDR-GNB infections
- 10) Identify dangerous situations and properly intervene in psychiatric emergencies
- 11) Discuss methods of managing patients at risk for suicide, psychotic patients, and emergency orders of detention

Educational Resources

Each registrant will receive an extensive program syllabus containing pertinent information on each conference topic. You may purchase additional syllabi at a cost of \$15 each.

Be sure to visit our CME web site which offers the latest information about our services, including a current list of Audio/VHS/DVD rentals:
www.healthsciences.okstate.edu/cme.html

Pre-Registration

We offer MasterCard/Visa credit card services. You may register online at www.healthsciences.okstate.edu/cme.html If you would like to pre-register by phone, call (918) 586-4615, (918) 586-4617 or toll-free (800) 274-1972 give us your name and credit card number or you may fax your pre-registration information to (918) 586-4618. **The deadline for pre-registration is November 7, 2008.**

Hotel Information

You may make your room reservations at the DoubleTree Hotel Tulsa Downtown, 616 West 7th Street, Tulsa, OK 74127 by calling (918) 587-8000 or via the internet at www.tulsadowntown.doubletree.com. When making your room reservations, please specify group code **FP8**. This code qualifies you for our special meeting rate of **\$81** per night. **Hotel reservations should be made no later than November 6, 2008.**

Parking

Free self-parking has been extended to all program participants. Daily parking passes will be enclosed in registration packet materials.

Airport Transportation

Upon arrival, please push the button that corresponds to the DoubleTree Hotel, Downtown Tulsa on the free hotel courtesy phone-board located in the baggage claim area of the airport. Proceed to the center terminal for pick-up. Likewise, make arrangements with the hotel concierge during your stay for complimentary hotel transportation back to the airport for your departure.
