The College of Osteopathic Medicine at Oklahoma State University seeks to admit students into the D.O. degree program who are well grounded in the biological and physical sciences and who display the academic and personal skills required to be successful in our program.

Students meeting the requirements described below are granted conditional admission to the College of Osteopathic Medicine provided they receive satisfactory scores on the qualitative portion of the admissions process. This includes an evaluation of the applicant’s file, a personal interview by the Admissions Committee, and recommendation letters. Candidates must have MCAT scores reported to the American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS).

To be eligible, a student must:
1. Complete these 48 hours of prerequisite courses (lecture and lab co-requisites) at ORU with grades of A or B in each:
   • BIO 111 – Introductory Biology I (for majors)
   • BIO 112 – Introductory Biology II (for majors)
   • CHE 111 – General Chemistry I
   • CHE 112 – General Chemistry II
   • CHE 211 – Organic Chemistry I
   • CHE 212 – Organic Chemistry II
   • CHE 459 – Biochemistry
   • PHY 101 (or 111) – General Physics I
   • PHY 102 (or 112) – General Physics II
   and any 3 of the following specialized biology or chemistry courses:
   • BIO 310 – Microbiology
   • BIO 411 – Molecular Cell Biology
   • BIO 311 – Genetics
   • BIO 421 – General and Comparative Physiology
   • BIO 431 – Developmental Biology
   • BIO 457 – Immunology
   • CHE 454 – Recombinant DNA (lecture only)
   • PHS 223 – Human Anatomy or PHS 224 – Human Physiology
2. Successful completion (P grade) of Human Cadaver Dissection (BIO 200) and PreHealth Professions Seminar (PHP 100) courses.
3. Maintain a cumulative 3.5 ORU GPA and full-time enrollment at ORU.
4. Score at least a 24 on the Medical College Admissions Test (MCAT) before June of the application year.
5. Interview with and be recommended by the ORU Premedical Advisory Committee.
6. Have already or plan to complete a Baccalaureate degree before matriculation at OSU.
7. Have a positive letter of recommendation from an osteopathic physician.
8. Have a successful interview with the OSU-COM Student Selection Committee.
