Note:
All osteopathic graduate medical education (OGME) programs are part of an Osteopathic Postdoctoral Training Institution (OPTI). Each OPTI is a community-based training consortium comprised of at least one college of osteopathic medicine and one hospital and may include additional hospitals and ambulatory training facilities. The OSU-CHS OGME programs are members of the Osteopathic Medical Education Consortium of Oklahoma (OMECO) OPTI. Aside from those depicted on this map, OGME programs in Pine Bluff, Arkansas and Joplin, Missouri are also members of the OMECO OPTI.
